

Turn PowerPoint Slides to Animated GIF

Conrad McGarry updated July 17, 2014 at 12:28 PM

Purpose: Create animated GIFs from PowerPoint slides.

1. To make a GIF animation, you will need to convert your PowerPoint slides to .gif files.
 - a. Go to **File**.
 - b. Go to **Save As**.
 - c. Choose **GIF** as the Format option.
2. You will have a folder with individual slides as .gif files.

3. Google "Create animated .gifs" for third party websites that make GIF animations. Select a website of your choice and follow their instructions to select your photos and choose your photo speed. A link should be provided for download.
