

Changing Email Password in Outlook 2011

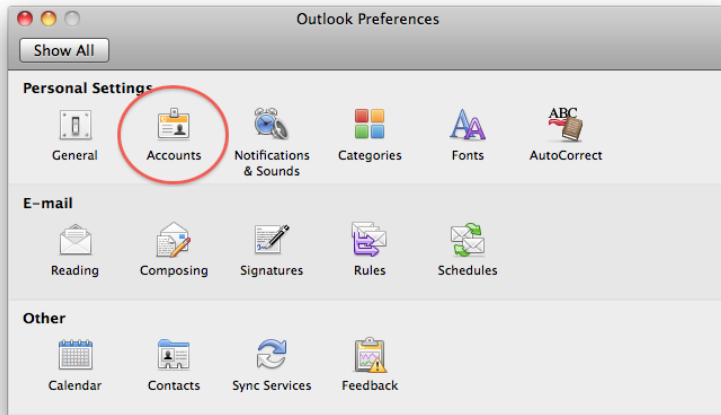

Questions Addressed

- How do I change my password for Outlook 2011?
- What password do I use?

This wiki describes how to change your password in Outlook 2011. UCSD email uses your [Active Directory \(AD\)](#) password.

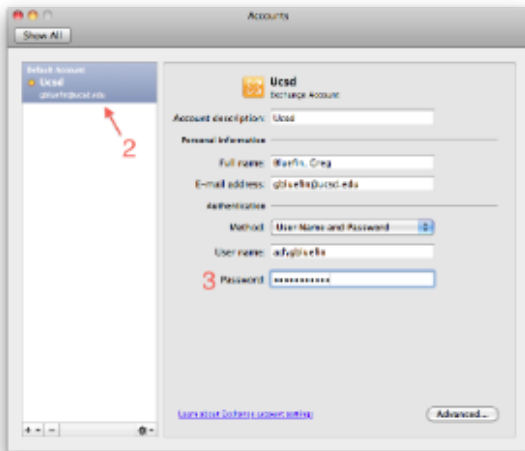

Changing your Outlook 2011 Password

Go to **Microsoft Outlook > Preferences > Accounts**.

- Select your UCSD email account in the left-hand pane.

Enter your new AD password.

- Quit and relaunch Microsoft Outlook.
