

# Phishing Email Resources

## Questions Addressed

- Who do I report phishing attempts to?
- Where can I verify recent campus notices?
- Where can I get the latest information about the status of the network and major campus applications?

**Note:** Please do not hesitate to contact the IGPP Helpdesk regarding any of these issues via email at [igppticket@ucsd.edu](mailto:igppticket@ucsd.edu) or by phone at 858.534.1753 (X41753). **If something seems suspicious contact the IGPP Helpdesk first.**

## Reporting Phishing Attempts

Phishing attempts should be directed to [abuse@ucsd.edu](mailto:abuse@ucsd.edu)

## Verifying Campus Notices

All official campus notices are archived and available for verification through:  
<http://adminrecords.ucsd.edu/Notices/Index.html>

The screenshot displays the UCSD Policy & Records Administration website. The header includes the UCSD logo and the text 'UNIVERSITY OF CALIFORNIA, SAN DIEGO' and 'Policy & Records Administration'. A navigation menu contains links for 'Chancellor's Correspondence', 'Policy & Procedures Manual', 'Electronic Notices & Flyers', 'Regents Agenda Items', 'Delegations of Authority', 'Organization Charts', 'Records Management', 'IPA Records', 'Forms', and 'Campus Notary'. The main content area is titled 'Electronic Notices & Flyers' and contains a sidebar with links for 'Electronic Mail Lists Managed by Policy & Records Administration', 'Types of Material for Distribution', 'Preparation of Material', and 'How Can I Subscribe or Unsubscribe to a Mailing List?'. The main content area is divided into two sections: 'Campus Notices Index' and 'Campus Flyers Index'. The 'Campus Notices Index' lists years from 1993 to 2012, with a search bar and a 'Years to Include in Search' section. The 'Campus Flyers Index' lists years 2009, 2010, and 2011, also with a search bar and a 'Years to Include in Search' section. The footer contains various departmental links and contact information.

## Network & Application Status

The status of the network and major campus applications is viewable through:  
<http://status.ucsd.edu/>

UC San Diego > Status
